Which Are Your Colors?

The value of color is a thing that comparatively few people understand. Most women wear the colors and stick to those, and those only. TO THE PEOPLE OF NEW MEXICO

Read What Theodore Roosevelt Says of The Democratic Campaign In New Mexico

Theodore Roosevelt, former president of the United States, visited New Mexico last month and made an address at Albuquerque. Citizens of New Mexico were delighted to welcome him, regardless of political beliefs.

But the Democratic candidates and their campaign bureau could not permit even a former President of the United States to visit New Mexico without smirching him with their libel campaign.

In a political advertisement appearing within a day after Colonel Roosevelt appeared in Albuquerque, the Democratic campaigners caused to be published this advertisement containing among other statements, the following:

"In Phoenix on Saturday Colonel Roosevelt made a special appeal for support for Judge Joseph H. Kibbey, Republican candidate for senator from Arizona. In Albuquerque on Monday he refused to ask for support for Hubbell or Bursum, though they appeared on the same platform with him and rode in the same parade with him.

"Colonel Roosevelt knew Judge Kibbey. Colonel Roosevelt also knew Frank Hubbell and H. O. Bursum. Bursum has always been a strong Roosevelt man. Apparently, Roosevelt isn't a very strong Bursum man.

"Colonel Roosevelt has returned to the Republican party but he can't stand for the kind of Republicanism represented by Frank Hubbell and H. O. Bursum."

Now Read What Colonel Theodore Roosevelt Says About This Particular Piece of Democratic Campaign Misrepresentation:

"The statement of the Democratic committee is of course wholly malicious and misleading. In my speeches anywhere I have not spoken of the local candidates and I mentioned Judge Kibbey's name in Arizona only in connection with joint statehood. I am everywhere supporting the entire Republican ticket and at Albuquerque I explicitly said that no man who valued the honor and the safety of the United States should vote for Mr. Wilson or any of
